¹ Tasking difficulty is related on a scale of 1 rising to level 3. There is an expectation that a level one task will be completed commensurate with the CTSA’s daily schedule. A level 2 task will require the CTSA to invest an appreciable amount of effort in the completion of the task potentially impacting on other areas of work. A level 3 task will require substantial effort on the part of the CTSA that will impact on other areas of work. Tasking rating levels will be designated by NaCTSO.

² The following tasking categories will be used for ALL NaCTSO taskings

1. CTSA Core Function – Routine Tasking
2. CTSA Core Function – New Work Area
3. Non-Core Function – CT Related
4. Non-Core Function – Non-CT related (exceptional request)
5. Special Project – e.g. Olympics
- 6.
