Good afternoon Ian

As discussed please find attached the report which is going to be published on Wednesday by SAT and launched in Manchester with Andy Burnham

Brendan Cox asked that I forward it to SMG as a courtesy and to advise we will not be making any statements about events at the Arena rather wider public safety at events

If you could ensure John Sharkey and John Allen have sight of the same in case they have any questions please

Kindest Regards

Just to make sure you all have the final versions - all embargoed until Tuesday 2200.
