Roger that.

What about our 'own' none injured in the blast?

Just in case we need to provide support to police family too?

Take command on scene initially. Will call GMP around command arrangements. Met inevitably will pick it up.

Matt - as discussed.

Boss - I will take command of the scene when I arrive unless otherwise directed.

Have we any idea who has command primacy? GMP, MPS or ourselves?

Kyle

Didn't leave you my number, here is proposed statement:

Officers are at Manchester Arena following reports of an explosion within the foyer area of the stadium at 10.30pm this evening.

Emergency services are at the scene and we are working to establish more information regarding the explosion and will provide further updates as soon as possible.

Thanks  
Matt
